No.	State	Population ⁱ			Year of Survey	Size of Mexican Sample	Size of U.S. Sample	Mexican Sample Weight	Refusal Rate
		1990	2000	2010					
173	Oaxaca	2,000	2,000	2,000	2019	112	0	4.91	0.018
174	Oaxaca	3,000	3,000	2,000	2019	82	0	4.82	0.000

ⁱ Population numbers represent the town or city where the survey took place. For those communities located in barrios within a large city, the population of the city is reported.

ⁱⁱ Community 61 was last recognized in the 1990 census as its own. After that, it was merged to its municipal heading. That's the reason of the sudden increase in population between 1990 and 2000.
